We can plan and run your very own Highland Games event in the hotel grounds and combine it with other superb activities such as falconry, whisky tasting or a traditional Ceilidh to make a memorable day out or overnight stay.

### SPORTS DAY

Take a trip down memory lane and experience an old school sports day event. Bring out your inner child and challenge your team with the egg & spoon race, giant games, relays and more!

Add to the fun, why not come dressed up? or plan a disco to fully submerge in the nostalgia.

### TEAMOPOLY

Teamopoly is an interactive and exhilarating game for teams to take on the role of property tycoons to develop a rich Caribbean property portfolio.

The game is fast, furious and action-packed. Teams will generate more cash by being successful on fun team building activities which can be tailored to your requirements.
